

HD100 Companion Hearing Aid

\$449.00 - \$830.00

- **45 Day Money Back Guarantee!**
- Free [Customizer App](#) for Android & iPhone
- Presets on the device also provide easy, no smartphone needed adjustment
- Rechargeable battery - Up to 15 hours per charge / no button cell batteries
- Integrated Bluetooth so you can take calls directly or stream music to a device
- Directional microphones for optimum performance in noisy conditions
- Environmental profile settings for best sound in different locations
- Flexible user adjustable tube for comfort fitting
- Standard 1-year manufacturer's warranty included
- **Note:** Like all hearing aids, SWS products can fail when exposed to excessive moisture such as high humidity and sweating. Because moisture damage is considered normal wear, it is NOT covered by the manufacturer's warranty. To prolong the life of your devices, we suggest you remove them in high-moisture situations and consider investing in a [hearing aid dehumidifier](#) to regularly help dry them out.

WARNING – Medical evaluation for people younger than 18: The use of a hearing aid in people younger than 18 years old without a medical evaluation may worsen impairment or disability. A prospective hearing aid user who is younger than 18 should have a recent medical evaluation from a doctor, preferably an ear-nose-throat doctor (an ENT). Prior to purchase, a doctor should determine that the person is a candidate for the use of a hearing aid.
